Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Conclusion from Pre-App Advice Ref: 25/02364/PREH

In conclusion, it is my opinion that if a planning application and listed building consent were submitted with the current plans, given the aforementioned points on design, impact on heritage assets, and neighbour amenity, the proposal would likely be looked upon favourably.

Any advice given by Council Officers for pre-application enquiries does not constitute a formal response or decision by the council with regards to future planning permission or other consents. You should also be aware that the information provided within this document

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
