PARTICULARS OF DEVELOPMENT

Application: 25/00633/S73

Proposal: Removal of point 2 of condition 9 of planning permission 22/00516/FP granted 18.09.2023 for erection of nine detached dwellings (2 x 3-bed, 1 x 4-bed and 6 x 5-bed) including garaging, parking, landscaping and creation of vehicular access off Gray's Lane.

Location: Land To The West Of Lucas Lane And East Of Headlands, Grays Lane, Hitchin, Hertfordshire, SG5 2HR

Plan Nos: 112-PS-001 A Location Plan 251029_C-2100_P01
251029_C-2101_P01 251029_C-2400_P01 251029_C-
2401_P01 251029_C-2402_P01

PARTICULARS OF DECISION

In pursuance of its powers under the above Act and the associated Orders and Regulations, the Council hereby **GRANT PERMISSION** for the development proposed by you in your application received with sufficient particulars on 19 March 2025, subject to the following condition(s):

Biodiversity Net Gain

1. This development is not subject to the statutory Biodiversity Gain Plan condition because it is considered exempt under the statutory exemptions (<https://www.gov.uk/guidance/biodiversity-net-gain-exempt-developments>) or transitional arrangements in respect of the biodiversity gain condition.

Planning Conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the grant of planning application 22/00516/FP.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

3. The approved details of external materials under application reference 25/00770/DOC to be used on all external elevations and the roof of the development hereby permitted shall be carried out in accordance with those details, unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure that the development will have an acceptable appearance which does not detract from the appearance and character of the surrounding area.

4. Prior to use, the gradient of the main vehicular access road shall be constructed not be steeper than 1 in 20.

Reason: In order to protect highway safety and the amenity of other users of the public highway and rights of way in accordance with Policy 5, of Hertfordshire's Local Transport Plan 4

5. Prior to the first occupation of the development hereby permitted, each residential dwelling shall be provided with an active (ready to use) EV charging point which shall thereafter be provided and permanently retained.

Reason: To ensure construction of a satisfactory development and to promote sustainable development in accordance with Building Regulations Part S and Policies 5, 19 and 20 of Hertfordshire's Local Transport Plan (adopted 2018).

6. The Construction Management Plan approved under application reference 24/02903/DOC for the development hereby permitted shall be carried out in accordance with those details, unless otherwise agreed in writing by the Local Planning Authority. The full wording of the condition reads as follows:

No development shall commence until a Construction Management Plan has been submitted to and approved in writing by the Local Planning Authority. Thereafter the construction of the development shall only be carried out in accordance with the approved Plan: The Construction Management Plan shall include details of:

- a. Construction vehicle numbers, type, routing;
- b. Access arrangements to the site;
- c. Traffic management requirements
- d. Construction and storage compounds (including areas designated for car parking, loading / unloading and turning areas);
- e. Siting and details of wheel washing facilities;
- f. Cleaning of site entrances, site tracks and the adjacent public highway;
- g. Timing of construction activities (including delivery times and removal of waste) and to avoid school pick up/drop off times;
- h. Provision of sufficient on-site parking prior to commencement of construction activities;
- i. Post construction restoration/reinstatement of the working areas and temporary access to the public highway;
- j. where works cannot be contained wholly within the site a plan should be submitted showing the site layout on the highway including extent of hoarding, pedestrian routes and remaining road width for vehicle movements;
- k. Impacts to the public rights of way and diversions if required.

Reason: In order to protect highway safety and the amenity of other users of the public highway and rights of way in accordance with Policies 5, 12, 17 and 22 of Hertfordshire's Local Transport Plan (adopted 2018).

7. The details with respect to Land Contamination are being dealt with under planning reference number 24/02901/DOC. Part (a), (b) and (c) have already been approved, therefore the remaining required parts (d) as stated below must be considered if any contamination is found.

(a) No development approved by this permission shall be commenced until a Site Investigation (Phase II environmental risk assessment) report has been submitted to and approved by the Local Planning Authority which includes:

- (i) A full identification of the location and concentration of all pollutants on this site and the presence of relevant receptors, and;
- (ii) The results from the application of an appropriate risk assessment methodology

(b) No development approved by this permission (other than that necessary for the discharge of this condition) shall be commenced until a Remediation Method Statement report; if required as a result of (a), above; has been submitted to and approved by the Local Planning Authority.

- (c) This site shall not be occupied, or brought into use, until:
- (i) All works which form part of the Remediation Method Statement report pursuant to the discharge of condition (b) above have been fully completed and if required a formal agreement is submitted that commits to ongoing monitoring and/or maintenance of the remediation scheme.
 - (ii) A Remediation Verification Report confirming that the site is suitable for use has been submitted to, and agreed by, the Local Planning Authority.
- (d) Any contamination, other than that reported by virtue of condition (b), encountered during the development of this site shall be brought to the attention of the Local Planning Authority as soon as practically possible; a scheme to render this contamination harmless shall be submitted to and agreed by the Local Planning Authority and subsequently fully implemented prior to the occupation of this site.

Reason: To ensure that any contamination affecting the site is dealt with in a manner that safeguards human health, the built and natural environment and controlled waters.

8. Prior to the commencement of any landscaping works, a Biodiversity and Landscape Management Plan (Landscape Ecological Management Plan) which details how the ecological units shown in the approved biodiversity metric will be delivered as the part of the development shall be submitted to and approved in writing by the Local Planning Authority. It should address the aspirations of NPPF in achieving overall net gain for biodiversity, along with details on how it is planned to incorporate biodiversity as part of the development scheme, how the habitats within the site boundary will be managed to maintain long term biodiversity objectives, and if possible, who will have the management responsibilities. As such the plan shall include the following:
- a) aims and objectives of management;
 - b) location, area and species composition of the habitats shown within the approved metric to be retained, enhanced and created; (which may include the area offsite to the north)
 - c) appropriate management options for achieving target condition for habitats, as described in the approved metric;
 - d) prescriptions for management actions, only definitive measures are acceptable;
 - e) preparation of a work schedule capable of being rolled forward in perpetuity), clearly marked on plan; and
 - f) ongoing monitoring plan and remedial measures to ensure habitat condition targets are met.
 - g) Details and number of integrated swift boxes and integrated bat boxes (make, model and location), and hedgehog highways.
 - h) the body or organisation responsible for implementation of the Plan and monitoring and remedial measures of the Plan. The plan shall be implemented in accordance with the approved details and the programme as approved and the measures shall be maintained and retained thereafter.

Reason: To ensure that the agreed landscaping and biodiversity gains are delivered and maintained in the interests of local biodiversity, ecology and the visual amenity of the site.

9. The development hereby permitted shall be carried out in accordance with the submitted Drainage Strategy under application ref: 25/00633/S73. The strategy has been designed to comply with the following:
1. Detailed engineered drawings of the proposed SuDS features including their, location, size, volume, depth and any inlet and outlet features including any connecting pipe runs and all corresponding calculations/modelling to ensure the scheme caters for all rainfall events up to and including the 1 in 100 year + 40% allowance climate change event.
 3. Provision of above ground features as such permeable paving in areas of hardstanding.
 4. Details regarding any areas of informal flooding (events those exceeding 1 in 30 year rainfall event), this should be shown on a plan with estimated extents and depths.
 5. Details of final exceedance routes, including those for an event which exceeds to 1:100 + cc rainfall event. The scheme shall be fully implemented and subsequently maintained, in accordance with the timing / phasing arrangements embodied within the scheme or within any other period as may subsequently be agreed, in writing, by the local planning authority.

Reason: To prevent flooding by ensuring the satisfactory storage of and disposal of surface water from the site.

10. The Energy and Sustainability Statement approved under application reference 25/00769/DOC for the development hereby permitted shall be carried out in accordance with those details, unless otherwise agreed in writing by the Local Planning Authority. The full wording of the condition reads as follows:

Prior to above ground construction works being commenced, an energy and sustainability statement shall be submitted to and approved in writing by the LPA. All measures shall be implemented and thereafter retained in accordance with the approved statement.

Reason: To ensure that the development is energy efficient and minimises energy use.

11. The Archaeological Trial Trench Evaluation that was submitted to and approved by the local planning authority in writing under planning reference number no. 25/00675/DOC has been carried out with no significant archaeological remains identified. No further action required as parts 11 A, Parts 2-6, 11 B and 11 C are approved.

A No demolition/development shall take place/commence until an Archaeological Written Scheme of Investigation has been submitted to and approved by the local planning authority in writing. The scheme shall include an assessment of archaeological significance and research questions; and:

1. The programme and methodology of site investigation and recording
2. The programme for post investigation assessment
3. Provision to be made for analysis of the site investigation and recording
4. Provision to be made for publication and dissemination of the analysis and records of the site investigation.
5. Provision to be made for archive deposition of the analysis and records of the site investigation.

6. Nomination of a competent person or persons/organisation to undertake the works set out within the Archaeological Written Scheme of Investigation.

B The demolition/development shall take place/commence in accordance with the programme of archaeological works set out in the Written Scheme of Investigation approved under condition (A).

C The development shall not be occupied/used until the site investigation and post investigation assessment has been completed in accordance with the programme set out in the Written Scheme of Investigation approved under condition (A) and the provision made for analysis and publication where appropriate.

Reason: To ensure that the appropriate site investigation relating to potential archaeological remains are investigated on this site prior to the implementation of the planning permission.

12. None of the trees to be retained on the application site shall be felled, lopped, topped, uprooted, removed or otherwise destroyed or killed without the prior written agreement of the Local Planning Authority.

Reason: To safeguard and enhance the appearance of the completed development and the visual amenity of the locality.

13. Any tree felled, lopped, topped, uprooted, removed or otherwise destroyed or killed contrary to the provisions of the tree retention condition above shall be replaced during the same or next planting season with another tree of a size and species as agreed in writing with the Local Planning Authority, unless the Authority agrees in writing to dispense with this requirement.

Reason: To safeguard and enhance the appearance of the completed development and the visual amenity of the locality.

14. No development above ground shall take place before a scheme of landscaping, in general accordance with the submitted Illustrative Landscape Masterplan (Drawing No. GUA-DR-L-002 P03) has been submitted to and approved in writing by the Local Planning Authority. The scheme as approved shall be carried out in the first planting season following the completion of the development hereby approved. Any trees, shrubs or plants that die within a period of five years from the completion the development or are removed and/or become seriously damaged or diseased in that period, shall be replaced (and if necessary continue to be replaced) in the first available planting season with others of similar size and species.

To ensure satisfactory landscape treatment of the site which will enhance the character and appearance of the area and to comply with Policies NE2 and NE4 of the North Hertfordshire Local Plan 2011 - 2031.

15. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 as amended no development as set out in Classes A, B, C, E and F of Part 1 of Schedule 2 to the Order, (or any subsequent Statutory Instrument which revokes, amends and/or replaces those provisions)

shall be carried out without first obtaining a specific planning permission from the Local Planning Authority.

Reason: Given the nature of this development, the Local Planning Authority considers that development which would normally be "permitted development" should be retained within planning control in the interests of the character and amenities of the area and to comply with Policy D1 and/or Policy D3 of the North Hertfordshire Local Plan 2011 to 2031.

16. No dwelling shall be occupied until a scheme setting out details of all on-site household refuse and recycling storage and collection facilities (and including details of any enclosures or screening) to serve each dwelling have been submitted to and approved in writing by the local planning authority. The scheme shall also include arrangements for management of any other waste generated by the development. All such facilities shall be provided in accordance with the approved details prior to the first occupation of the dwellings to which the facilities relate and shall be maintained and retained thereafter.

Reason: To facilitate refuse and recycling collection. To protect the amenities of nearby residents and occupiers in the interests of visual amenity and to comply with Policies D1 and D3 of the North Hertfordshire Local Plan 2011-2031."

Proactive Statement:

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Signed:

Shaun Greaves

The Council's Privacy Notice is available on our website: <https://www.north-herts.gov.uk/home/council-data-and-performance/data-protection/information-management-gdpr>

NOTES

- 1 **Failure to satisfy conditions may invalidate this permission and/or result in enforcement action. Particular attention should be paid to the requirements of any condition in bold.**
- 2 Applicants will need to pay a compliance fee where they request confirmation in writing of any planning consent, agreement or approval (commonly known as discharge of conditions) required by one or more conditions or limitations attached to a grant of planning permission.
- 3 The fee is £145 per request or £43 where the permission relates to an extension or alteration to a dwellinghouse or other development in the curtilage of the dwellinghouse.

The request can be informal through the submission of a letter or plans, or formal through the completion of an application form and the submission of plans. Any number of conditions may be included on a single request. The form is available via the Council's website:
www.north-herts.gov.uk/home/planning/planning-applications/submit-planning-application
- 4 If the development hereby permitted is one that will require a new postal address/es then please contact the Council's **street naming and numbering service** on 01462 474431 or email SNN@north-herts.gov.uk who will advise you on how to apply for the new address/es.

Any proposed sales and/or marketing name to be adopted by the developer should be forwarded to the **street naming and numbering service**, prior to any publication of the site details and sales information.
- 5 If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's (LPA) decision then you must do so within 6 months of the date of this notice.

However, if an enforcement notice has been served for the same or very similar development the time limit is 28 days from the date of the LPA decision or 28 days from the date the enforcement notice was served.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special

circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

6 Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

- 7 The District Council and County Highway Authority wish to ensure that, in the implementation of the development, hereby approved, the highway verge adjacent to the property is not damaged or does not become unsightly due to the stationing of skips, parking of vehicles, storing of building materials etc thereon. Your attention is, therefore, drawn to the provisions of Section 131 of the Highways Act 1980 and to the Hertfordshire County Council Bylaws 1955 (specifically relating to grass margins and verges in Letchworth Garden City) by virtue of which such actions, unless authorised by the prior grant of a licence, constitute a prosecutable offence. Persons responsible for undertaking the development and any associated works are, therefore, strongly encouraged to take appropriate steps to ensure that no breach of the said legislation occurs during the course of such activities. In the event of any damage being caused it will be expected that suitable reinstatement is undertaken upon completion of the development. Failure to do so could also result in legal action being pursued. To obtain information regarding the issue of licences, contact Hertfordshire Highways, Hertfordshire County Council, County Hall, Pegs Lane, Hertford, SG138DQ or telephone 0300 1234 047.

8 Cadent Gas Informative:

Cadent Gas own and operate the gas infrastructure within the area of your development. Contact our Plant Protection Team for approval before carrying out

any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com Alternatively you can register on www.beforeyoudig.cadentgas.com This service is free of charge.

THIS PLANNING PERMISSION DOES NOT CONSTITUTE APPROVAL UNDER BUILDING REGULATIONS AND IS NOT A LISTED BUILDING CONSENT OR CONSERVATION AREA CONSENT. IT DOES NOT CONVEY ANY APPROVAL OR CONSENT WHICH MAY BE REQUIRED UNDER ANY ENACTMENT, BYE-LAW, ORDER OR REGULATION OTHER THAN SECTION 57 OF THE TOWN AND COUNTRY PLANNING ACT 1990.

Consent for these works may be required from the Letchworth Garden City Heritage Foundation (www.leitchworth.com/heritage-foundation) under the Scheme of Management or leasehold covenants. If you do not already have their approval, you are advised to contact the Heritage Foundation on home@leitchworth.com or 01462 476017 to confirm whether you also need to submit an application to them.
