Dear Sir / Madam,

Notification under the Electronic Communications Code Regulations of the intention to install Upgraded Electronic Communications Apparatus. Removal of 6 no. antenna and installation of 9 no. replacement antenna and ancillary radio equipment onto existing supporting poles at existing lattice mast and associated ancillary development thereto Telecommunications Mast, National Grid, Cadwell Lane, Hitchin, Hertfordshire,

Please quote the following reference: 26/00909/EC on all correspondence.

I refer to your covering letter received on 7 April 2026 giving formal notification in advance of the above work, in accordance with Regulation 5 of the Electronic Communications Code (Conditions and Restrictions) Regulations 2003 (as amended), as required by the Communications Act 2003.

I confirm that the Local Planning Authority has no objection to the siting and appearance of this proposal. However, it is your responsibility as the operator to ensure that your works are permitted development by virtue of the Town and Country Planning (General Permitted Development) (England) Order 2015, Schedule 2, Part 16, Class A (as amended).

If you wish for a formal determination of this, then I advise you to apply for a Lawful Development Certificate for the proposal.

Yours faithfully

Shaun Greaves
Development and Conservation Manager
