PARTICULARS OF DEVELOPMENT

Application: 26/00320/FP

Proposal: Erection of detached dwelling and detached double garage.

Location: Land Between Lodge Cottage And Spring Cottage, Ashwell Road, Newnham, Hertfordshire, SG7 5JX

Plan Nos: AB 07A AF 10 AF 11 AF 12 AF 13 AF 14 AF 15

PARTICULARS OF DECISION

In pursuance of its powers under the above Act and the associated Orders and Regulations, the Council hereby **GRANT PERMISSION** for the development proposed by you in your application received with sufficient particulars on 25 February 2026, subject to the following condition(s):

Biodiversity Net Gain

1. The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition "(the biodiversity gain condition)" that development may not begin unless:
(a) a Biodiversity Gain Plan has been submitted to the planning authority, and
(b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be North Hertfordshire District Council.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply

(<https://www.gov.uk/guidance/biodiversity-net-gain-exempt-developments>).

Based on the information available this permission is considered to be one which will require the approval of a biodiversity gain plan before development is begun because none of the statutory exemptions or transitional arrangements are considered to apply.

Planning Conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

3. Details or sample of the roof covering for both the dwellinghouse and garage shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of that part of the development hereby approved. Thereafter the roofs shall be covered with the approved details/sample.

Reason: To ensure that special regard is paid to the character and appearance of the Newnham Conservation Area under Section 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 and Policy HE1 of the Local Plan

4. As indicated on the approved plans the roofs to both the dwellinghouse and garage shall have open eaves (exposed rafter feet) unless otherwise agreed and approved in writing by the Local Planning Authority.

Reason: To ensure that special regard is paid to the character and appearance of the Newnham Conservation Area under Section 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 and Policy HE1 of the Local Plan.

5. All new windows and external doors for the dwellinghouse shall be manufactured in timber and the windows shall be externally white-painted unless otherwise agreed and approved in writing by the Local Planning Authority.

Reason: To ensure that special regard is paid to the character and appearance of the Newnham Conservation Area under Section 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 and Policy HE1 of the Local Plan

6. Joinery section details of the new windows shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of that part of the development hereby approved. Thereafter the windows shall be manufactured in accordance with the approved joinery details.

Reason: To ensure that special regard is paid to the character and appearance of the Newnham Conservation Area under Section 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 and Policy HE1 of the Local Plan

7. Details of the finished render colour for the dwellinghouse shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of that part of the development hereby approved. Thereafter the render finish shall be carried out in accordance with the approved render colour.

Reason: To ensure that special regard is paid to the character and appearance of the Newnham Conservation Area under Section 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 and Policy HE1 of the Local Plan.

8. No development shall take place until an Ecological Enhancement Plan (EES) for the creation of new wildlife features such as hibernacula, the inclusion of integrated bird/bat and bee boxes in buildings/structures, has been submitted to and approved in writing by the local planning authority.

Reason: To ensure development is ecologically sensitive and secures biodiversity enhancements in accordance with the North Herts Local Plan policy NE4.

9. In the event that contamination is found at any time when carrying out the approved development, it shall be reported in writing immediately to the Local Planning Authority. An investigation and risk assessment shall then be undertaken by a competent person, in accordance with BS10175:2011. A written report of the findings should be forwarded for approval to the Local Planning Authority. Following completion of remedial measures a verification report shall be prepared that demonstrates the effectiveness of the remediation carried out. No part of the development should be occupied until all remedial and validation works are approved in writing.

Reason: To protect human health and to ensure that no future investigation is required under Part 2A of the Environmental Protection Act 1990.

10. A No development shall take place/commence until an Archaeological Written Scheme of Investigation has been submitted to and approved by the local planning authority in writing. The scheme shall include an assessment of archaeological significance and research questions; and:
1. The programme and methodology of site investigation and recording
 2. The programme for post investigation assessment
 3. Provision to be made for analysis of the site investigation and recording
 4. Provision to be made for publication and dissemination of the analysis and records of the site investigation
 5. Provision to be made for archive deposition of the analysis and records of the site investigation
 6. Nomination of a competent person or persons/organisation to undertake the works set out within the Archaeological Written Scheme of Investigation.

Reason: The site lies within an area where there is significant potential for archaeological remains and any finds should be retrieved and/or recorded before they are damaged or destroyed as a result of the development hereby permitted.

11. B The development shall take place/commence in accordance with the programme of archaeological works set out in the Written Scheme of Investigation approved under condition 13 (A).

Reason: The site lies within an area where there is significant potential for archaeological remains and any finds should be retrieved and/or recorded before they are damaged or destroyed as a result of the development hereby permitted.

12. C The development shall not be occupied/used until the site investigation and post investigation assessment has been completed in accordance with the programme set out in the Written Scheme of Investigation approved under condition 13 (A) and the provision made for analysis and publication where appropriate.

Reason: The site lies within an area where there is significant potential for archaeological remains and any finds should be retrieved and/or recorded before they are damaged or destroyed as a result of the development hereby permitted.

13. Notwithstanding the submitted plans for the access and the submission of a detailed landscape scheme pursuant to condition 15, the mature hedgerow fronting Ashwell Road shall be retained as existing in perpetuity, unless otherwise agreed in writing by the Local Planning Authority.

Reason; to protect the prevailing character of the area in accordance with Policy D1 of the Local Plan.

14. The access as shown on approved plan AF11 Proposed Site Plan, located at the rear of the dwellinghouse hereby approved shall be provided and remain in perpetuity for the use of Lodge Cottage for the parking of vehicles in association with the dwellinghouse.

Reason: To ensure the provision of satisfactory car parking facilities clear of the public highway to meet the needs of the development.

14. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 as amended no development as set out in Classes A, B, C and E of Part 1 of Schedule 2 to the Order, (or any subsequent Statutory Instrument which revokes, amends and/or replaces those provisions) shall be carried out without first obtaining a specific planning permission from the Local Planning Authority.

Reason: Given the nature of this development, the Local Planning Authority considers that development which would normally be "permitted development" should be retained within planning control in the interests of the character and amenities of the area and to comply with Policy D1 and/or Policy D3 of the North Hertfordshire Local Plan 2011 to 2031.

15. Prior to the first occupation of the development hereby permitted full details of a comprehensive soft and hard landscaping scheme (including planting details) and all boundary treatments shall be submitted to and approved in writing by the Local Planning Authority.

The approved soft landscaping / planting details shall be carried out before the end of the first planting season following either the occupation of the (first) dwelling or the completion of the development, whichever is the sooner; and any trees or plants which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced during the next planting season with others of similar size and species, unless the Local Planning Authority agrees in writing to vary or dispense with this requirement.

Reason: To ensure the development is comprehensively landscaped in the interests of visual amenity. Local Plan Policies D1 and N2
Hedgerow retention

Proactive Statement:

Planning permission has been granted for this proposal. The Council acted proactively through positive engagement with the applicant during the determination process which led to improvements to the scheme. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.

NOTES

- 1 **Failure to satisfy conditions may invalidate this permission and/or result in enforcement action. Particular attention should be paid to the requirements of any condition in bold.**
- 2 Applicants will need to pay a compliance fee where they request confirmation in writing of any planning consent, agreement or approval (commonly known as discharge of conditions) required by one or more conditions or limitations attached to a grant of planning permission.
- 3 The fee is £309 per request or £89 where the permission relates to an extension or alteration to a dwellinghouse or other development in the curtilage of the dwellinghouse.

The request can be informal through the submission of a letter or plans, or formal through the completion of an application form and the submission of plans. Any number of conditions may be included on a single request. The form is available via the Council's website:
www.north-herts.gov.uk/home/planning/planning-applications/submit-planning-application
- 4 If the development hereby permitted is one that will require a new postal address/es then please contact the Council's **street naming and numbering service** on 01462 474431 or email SNN@north-herts.gov.uk who will advise you on how to apply for the new address/es.

Any proposed sales and/or marketing name to be adopted by the developer should be forwarded to the **street naming and numbering service**, prior to any publication of the site details and sales information.

- 5 If you are aggrieved by the decision of your local planning authority (LPA) to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

However, if an enforcement notice has been served for the same or very similar development the time limit is 28 days from the date of the LPA decision or 28 days from the date the enforcement notice was served.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision>

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

6 **Purchase Notices**

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

- 7 The District Council and County Highway Authority wish to ensure that, in the implementation of the development, hereby approved, the highway verge adjacent to the property is not damaged or does not become unsightly due to the stationing of skips, parking of vehicles, storing of building materials etc thereon. Your attention is, therefore, drawn to the provisions of Section 131 of the Highways Act 1980 and to the Hertfordshire County Council Bylaws 1955 (specifically relating to grass margins and verges in Letchworth Garden City) by virtue of which such actions, unless authorised by the prior grant of a licence, constitute a prosecutable offence. Persons responsible for undertaking the development and any associated works are, therefore, strongly encouraged to take appropriate steps to ensure that no breach of the said legislation occurs during the course of such activities. In the event of any damage being caused it will be expected that suitable reinstatement is undertaken upon completion of the development. Failure to do so could also result in legal action being pursued. To obtain information regarding the issue of licences, contact Hertfordshire Highways, Hertfordshire County Council, County Hall, Pegs Lane, Hertford, SG138DQ or telephone 0300 1234 047.
