

Evolution Tree Works Services LTD

29 Offley Road

Hitchin

29.4.2026

REF: HA-000890 28 Sollershott West

To whom it may concern,

Following a recent site survey I can confirm the following findings.

T1 – Leylandii, 50ft. Limb failure

Previously reduced now side limbs are heavy. They are also causing light restriction to the neighbouring property.

T2 – Holly, Yew & Bay, 30ft Drain issues

These trees are growing in close proximity to the drain and causing damage.

T3 – Lawson Cypress, 45ft Drain issues

These trees are growing in close proximity to the drain and causing damage.

The client would like to replace these trees with various Acer varieties, which are ready for planting.

Kind Regards

Mark Read

Director
