Good Afternoon

We have received your application which has been given the following reference number 24/02716/FPH. We note from the proposed plans that there are 3no rooflights on the front roof slope and we have amended the description to include these, as follows:-

Insertion of rear box dormer including Juliet balcony and 3no rooflights on front roof slope to facilitate extension of loft space. Single storey rear extension following demolition of existing rear extension.

Please could you confirm by return email that you are happy with the change of the description.

Many thanks.

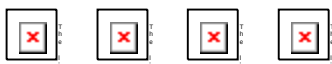

Kind regards

Diane Joseph
