Dear Kerry,

Reference 26/01327/LBC

Thank you for your email regarding the above application. My apologies that the information was incomplete.

I can confirm that the application is for the **'Installation of Electric Vehicle Charging Unit on Side Elevation of Single Storey slate roof addition'**

Please find attached all the information that you have requested. If this is not correct or there is more required, please advise and I will send accordingly,

Kind Regards,

Michael McGloin
