

DELEGATED FILE NOTE

CASE OFFICER: ...Vicki Wood.....

APPLICATION REFERENCE	BRIEF DESCRIPTION OF DEVELOPMENT	APPLICATION SITE
25/02644/FPH	Single storey rear extension (as amended by plan received on 28/11/2025).	136 Hampshire Road Royston Hertfordshire SG8 9FU

Submitted Plan Nos

RSD2577-100 Rev A RSD2577-001

1.0 Policies

1.0 **Local and National Policy**

1.1 **National Planning Policy Framework 2024 (NPPF)**

Section 2 – Achieving sustainable development

Section 12 – Achieving well-designed places

Section 14 - Meeting the challenges of climate change, flooding and coastal change

1.2 **North Hertfordshire Local Plan 2011-2031 (NHLP)**

Strategic Policies

Policy SP1 – Sustainable Development in North Hertfordshire

Policy SP2 – Settlement Hierarchy and Spatial Distribution

Policy SP9 – Design and Sustainability

Development Management Policies

Policy D1 – Sustainable design

Policy D2 – House extensions, replacement dwellings and outbuildings

Policy D3 – Protecting living conditions

2.0 **Relevant Site History**

2.1 None.

3.0 **Representations**

3.1 **Site and Neighbour Consultation** – One comment has been received in support of the application from no.134 Hampshire Way, the neighbouring property to the north.

3.2 **Royston Town Council** – No objection.

3.3 No re-consultation is considered to be required given no objections have been received to the original proposal. The amended plan improves the design and further reduces the impact of the proposed development on the neighbouring property no.138 Hampshire Way.

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 The site is located on the northeast side of Hampshire Way and comprises of a two-storey detached residential dwelling house with detached garage set to the east and to

the rear of the footprint of the dwelling. Hampshire Way is a relatively new residential housing development.

- 4.1.2 The application site is within the settlement boundary for Royston where development is generally acceptable subject to policy requirements.

4.2 **Proposal**

- 4.2.1 Single storey rear extension (as amended by plan received on 28/11/2025).
- 4.2.2 The amended plan reduces the width of the proposed extension to ensure it remains flush with the existing southwest side flank elevation of the existing dwelling.

4.3 **Key Issues**

- 4.3.1 The key issues for consideration are as follows:
- The acceptability of the design of the proposed development and its resultant impact on the character and appearance of the area.
 - The impact that the proposed development would have on the living conditions of neighbouring properties.
 - The impact that the proposed development would have on car parking provision in the area.
 - The impact that the proposed development would have on the environment.

Design and Appearance

- 4.3.2 The objectives of the National Planning Policy Framework (NPPF) include those seeking to secure the creation of high quality, beautiful and sustainable buildings and places (Section 12 – Achieving well-designed places). Paragraph 131 of the NPPF states that *“Good design is a key aspect of sustainable development, creates better places in which to live and work and helps make development acceptable to communities”*. In this regard, Policy D1 and D2 of the Local Plan are consistent with the objectives set out within the NPPF.
- 4.3.3 The development would comprise of a single storey rear extension with a depth of 4 metres as measured from the rear elevation of the existing dwelling and a width of 5 metres. The extension would extend up to the southwest side flank elevation of the existing dwelling. The roof form would take a parapet design with a roof lantern installed. Openings would be formed in the rear and southeast flank elevations, the flank elevation facing towards a garage to the neighbouring property no.138 Hampshire Way. Materials would match those of the existing dwelling.
- 4.3.4 I am satisfied that the size, scale and design of the proposed rear extension would be a sympathetic addition to the existing dwelling and would not harm the visual amenity of the area and would be in accordance with Section 12 of the NPPF and Policies D1 and D2 of the Local Plan.

Impact on Neighbouring Properties:

- 4.3.5 A core planning principle set out in the NPPF is to always seek to secure a good standard of amenity for all existing and future occupants of land and buildings. This principle is reflected in the provisions of Policy D3 of the Local Plan.
- 4.3.6 I am satisfied that the proposed extension, by virtue of its position on the property and its relationship to existing built form, would not impact existing residential amenity to any significant degree and would be in accordance with Section 12 of the NPPF and Policy D3 of the Local Plan.

Highways and Parking:

- 4.3.7 The dwelling is served by sufficient off-street parking spaces which would not be affected by the proposed development.

Biodiversity Net Gain (BNG)

- 4.3.8 This development is not subject to the statutory Biodiversity Gain Plan condition because it is exempt under the statutory exemptions as set out in paragraph 17 of Schedule 7A of the Town and Country Planning Act 1990 and the Biodiversity Gain Requirements (Exemptions) Regulations 2024.

Environmental Implications

- 4.3.9 Section 14 of the NPPF sets out how the planning system should support the transition to a low carbon future. The principles set out in Section 14 are reflected in Policy D1 of the Local Plan, which sets out that development proposals should take all reasonable opportunities to reduce energy consumption and waste, retain existing vegetation and propose new appropriate planting, and future proof for changes in technology and lifestyle.
- 4.3.10 In my view, the proposed development would be unlikely to have any significant implications for the local environment in terms of carbon emissions and therefore would be generally in accordance with Section 14 of the NPPF and Policy D1 of the Local Plan.

4.4 **Conclusion**

- 4.4.1 The proposed development is considered acceptable and in accordance with Policies SP1, SP9, D1, D2 and D3 of the Local Plan 2011-2031 and Sections 2, 12 and 14 of the NPPF 2024.

4.5 **Alternative Options**

- 4.5.1 N/A

4.6 **Pre-Commencement Conditions**

- 4.6.1 N/A

5.0 **Recommendation**

- 5.1 That planning permission be **GRANTED** subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

3. The extension hereby permitted shall be built in external materials to match the existing dwellinghouse unless otherwise agreed in writing by the Local Planning Authority.

Reason: To protect the visual amenities of the locality and to comply with Policies D1 and D2 of the North Hertfordshire Local Plan 2011 to 2031.

Proactive Statement:

Planning permission has been granted for this proposal. The Council acted proactively through positive engagement with the applicant during the determination process which led to improvements to the scheme. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
