Hi Nikki

Thanks for your message.

There are some brick infills to the undercroft area as well. Other than that I confirm agreement to the proposed description.

Many thanks

Jon

Hi Jon

We haven't received an update on the file, but I have included the new solar panels in the description. Please can you confirm that you agree to the amended description. Written confirmation to the description change will be published on the website

Proposal- Installation of front canopy, front access ramp and solar panels to existing front, rear and side roofslopes. Alterations to fenestration.

Kind regards
