

25/02407/DOC - Details of Condition : Details reserved by condition 8 (Rainwater Goods) of planning permission reference 24/00796/FP granted 10.09.2024.

8. Details of the rainwater goods for the carport/storage building shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of that part of the development hereby approved. The carport/storage building shall be completed in accordance with the approved rainwater goods.

On drawing no. GA 150 P it states 'Alutec Evolve Rainwater goods in Heritage Black finish'. I raise no objection to the product range but I would have thought that it would either be the Half Round or the Deepflow? May be seek clarification.

Evolve Half Round

- 123 x 51mm Half Round aluminium rainwater gutter system
- Flow-rate of up to 1.8 l/s and 87m² per downpipe
