Previous Answers:

To pollard the boundary line at 3 metres and to deadwood and reduce the beech tree to allow more light into the neighbouring property (Elm Tree Cottage), as discussed with the neighbour and the LGCHF Tree and Woodland Officer. It's impacting the neighbour's "Right to light"

Updated Answers:

As discussed, we propose to reduce the boundary next to Elm Tree Cottage to 6ft, approximately 20 metres. Additionally, we plan to deadwood the beech tree to allow more light into the neighbouring property. This action aims to address the impact on the neighbour's "Right to Light." Also remove 2 dead tree's.
