Dear Sir/Madam

I enclose a copy of a letter I wrote to North Hertfordshire District Council in November 2016. That was when the proposed plan to build 3290 new homes was originally outlined.

Ten years on, my views have not changed and I still vehemently oppose this massive development, for the reasons stated in my former letter.

I know this development will go ahead anyway. Its a foregone conclusion. To me, a total blot on the landscape.

Thankfully I won't be here when the development is finished.

I just had to share my views.

Sincerely
