Dear Sir,

I for one am against the application of the development of up to 325 dwellings on Birtles land. As already we don't have enough schools Jackson Dentist to cater for the towns needs now. let alone building more & more houses. Plus the last Bank in the town is closing and I know you will ^{agree} most people go on line. But in my case that is not so As I don't own a computer and a lot of people don't. I also feel we will lose the beauty of the country side with so many houses. There's also drainage & Traffic Problems to deal with

Yours Faithfully
