Dear Madam,

Electronic Communications: Removal and replacement of 3no antennas, installation of 1no cabinet and GPS along with associated equipment works following removal of existing cabinet.

Location: Telecommunications equipment at land west of Therfield water tower, Kelshall Tops, Therfield, Hertfordshire, SG8 9TT

I refer to your email and associated documents received on 14th August 2026 giving formal notification in advance of the above work, in accordance with Regulation 5 of the Electronic Communications Code (Conditions and Restrictions) Regulations 2003 (as amended), as required by the Communications Act 2003.

It is your responsibility as the operator to ensure that your works are permitted development by virtue of The Town and Country Planning (General Permitted Development) (England) Order 2015, Schedule 2, Part 16, Class A (as amended).

If you wish for a formal determination of this, then I advise you to apply for a Lawful Development Certificate for the proposal.

Yours faithfully

Shaun Greaves
Development and Conservation Manager
