

— Planning Boundary  
- - Ownership Boundary

Architects layout:  
026-02-17-Hitchin-Ickleford-Mill-EXPORT  
Tree Removal Plan:  
HA 1948TRP

Contractor must verify all dimensions, levels and existing service alignments on site before commencing any work or shop drawings. Any discrepancy concerning the drawings/quantities should be referred to the Landscape Architect immediately.

Only figured dimensions to be taken from this drawing. Do not scale off this drawing.

All Landscape drawings to be read in conjunction with the landscape specification and relevant engineer's and architect's drawings/specifications.

atches are shown indicatively only and do not represent paving laying pattern/arrangement. Refer to key and separate details if available.

Drawings should not be used to tender from without confirmation from the Landscape Architect.

levels are not to be amended within root protection areas of existing trees to be retained and no grading (increasing or decreasing of levels) is to be carried out, the only exception to this is where existing hard landscaping is expressly proposed for removal/ replacement, in which case careful hand-digging will be required to take up surfaces and sub-base as per the Arboriculturalist's method statement. No-dig construction methods are proposed for all surfacing within the root protection areas of trees. Tree protection and construction methods are to be carried out as per the Arboriculturalist's proposals. Refer to the Arboriculturalist's AIA for required monitoring and reporting measures.

Installation of play equipment near trees to be installed under Arboricultural supervision in accordance with the Arboricultural Method Statement.

- 
**No dig construction**  
 Refer to A1A for further information.
- 
**Vehicle Road & Pedestrian**  
 Vehicular macadam to engineer's specification. Colour: Natural. Or similar and approved.
- 
**Block paved roads**  
 Permeable precast concrete paving blocks. Pattern: herringbone. Colour: Grey. Double course edge of the same colour. Or similar and approved.
- 
**Block paved parking bays**  
 Permeable precast concrete paving blocks. Pattern: herringbone. Buildup to engineer's specification. Colour: Grey. Double course edge of the same colour. Or similar and approved.
- 
**Private Footpaths**  
 Non-permeable precast concrete paving blocks. Pattern: Straighter course. Colour: Grey. Single course edge of the same colour. Or similar and approved.

**Closeboard Fence**  
1.8m high with single gate 0.9m.  
Free movement of hedgehogs between private gardens and public open spaces to be facilitated through the provision of openings within fences and walls.  
Or similar or approved.

**Closeboard Fence with Trellis**  
1.8m high with 300mm trellis single gate 0.9m.  
Free movement of hedgehogs between private gardens and public open spaces to be facilitated through the provision of openings within fences and walls.  
Or similar or approved.

**Brick Wall**  
1.8m high screen wall.  
Facing brick to match houses with engineering brick on edge coping to architects specification.  
Or similar or approved.

**Play Area Land Boundary**  
1m - 1.3m varied height natural log boundary to LEAP. Gate to match. Or similar or approved.

**Retaining Wall with 1.8m  
Cobbleboard Fence and Trellis**  
To architect's/engineer's  
specification.

**Retaining Wall with 1.8m  
Cobbleboard Fence**  
To architect's/engineer's  
specification.

**Retaining Wall with 1.8m Fence**  
To architect's/engineer's  
specification.

**Retaining Wall**  
To architect's/engineer's  
specification.

**Retaining Wall (Low)**  
To architect's/engineer's  
specification.

**Existing Wall**  
To be retained.

**Existing Mesh Perimeter Fence**  
To be retained.

**Proposed Mesh Perimeter Fence**  
Powder coated green, Height  
Specification to match existing
