Details of the pre-application advice received

An email was issued to Mr Rea on the above date, requesting his professional opinion as to whether the proposed amendment could be considered as a non-material amendment. Mr Rea responded on the same day of the request, stating: '.All noted. With regards to the stacks I think this would be an NMA application'.

- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
