

# Sketch Plan of proposed works

**Photo 1** – view from master bedroom out to Windmill Hill, showing on the left the Portuguese Laurel (number 1 in the diagram) and the Copper Beech (number 3). Also shows overhanging trees on right hand side (number 5)

**Photo 2** – view from Windmill Hill looking back towards Woodside. This shows the yew hedge boundary along the top of Windmill Hill - the part belonging to Woodside starts with the wall on the left and finishes approximately at the red line (number 4 in diagram)
