Area manager: Manjinder Sehmi
Case officer: Paul Marshall

Location

Icknield Garage Letchworth Ltd , Icknield Way, Letchworth Garden City, Hertfordshire, SG6 4AD

Application type

Full Application

Proposal

AMENDED PROPOSAL

Full Planning Permission : Use of land (B8 Class) to be used as open-air car storage (B8 Class retained) following demolition of garage storage units

Recommendation

Notice is given under article 22 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

HCC as Highway Authority recommends inclusion of the following Advisory Note (AN) to ensure that any works within the highway are carried out in accordance with the provisions of the Highway Act 1980.

AN1) Storage of materials: The applicant is advised that the storage of materials associated with the construction of this development should be provided within the site on land which is not public highway, and the use of such areas must not interfere with the public highway. If this is not possible, authorisation should be sought from the Highway Authority before construction works commence. Further information is available via the County Council website at:

<https://www.hertfordshire.gov.uk/services/highways-roads-and-pavements/business-and-developer-information/business-licences/business-licences.aspx> or by telephoning 0300 1234047.

AN2) Obstruction of highway: It is an offence under section 137 of the Highways Act 1980 for any person, without lawful authority or excuse, in any way to wilfully obstruct the free passage along a highway or public right of way. If this development is likely to result in the public highway or public right of way network becoming routinely blocked (fully or partly) the applicant must contact the Highway Authority to obtain their permission and requirements before construction works commence. Further information is available via the County Council website at: <https://www.hertfordshire.gov.uk/services/highways-roads-and-pavements/business-and-developer-information/business-licences/business-licences.aspx> or by telephoning 0300 1234047.

AN3) Debris and deposits on the highway: It is an offence under section 148 of the Highways Act 1980 to deposit compost, dung or other material for dressing land, or any rubbish on a made up carriageway, or any or other debris on a highway to the interruption of any highway user. Section 149 of the same Act gives the Highway Authority powers to remove such material at the expense of the party responsible. Therefore, best practical means shall be taken at all times to ensure that all vehicles leaving the site during construction of the development and use thereafter are in a condition such as not to emit dust or deposit mud, slurry or other debris on the highway. Further information is available by telephoning 0300 1234047.

COMMENTS

The proposals are for AMENDED PROPOSAL Full Planning Permission: Use of land (B8 Class) to be used as open-air car storage (B8 Class retained) following demolition of garage storage units. Icknield Way is maintainable by the highway authority and is classified and provides a local distributor function in the road hierarchy. The vehicle speeds past this site are limited to 30 mph. There have been no recorded accidents near the site in a rolling 5-year period.

Policy Review:

The key documents used to assess the application are:

- Manual for Streets 2007
- National Planning Policy Framework (July 2021)
- Hertfordshire County Council's (HCC) Local Transport Plan-4 [2018-2031, May2018]
- HCC's Place & Movement Planning Design Guidance (adopted in March 2024)

PLANNING HISTORY

The application site no previous planning history.

DRAWINGS

The Highway Authority note the submission of materials in support of the planning application, including drawing numbers: 01, 04, 05A, and Demolition Statement

ACCESS

The Demolition Method Statement has been amended and now includes school timings and is acceptable. Drawing 06 illustrates the route for demolition and construction vehicles.

CONCLUSION

Should the LPA be minded to approve the application please note the above conditions and informatives. This level of development is unlikely to generate any extra movements which would ultimately lead to demonstrable harm to the highway network in terms of free flow and capacity, therefore; the highway authority would not wish to restrict the grant of planning permission.

Signed

Paul Marshall
