Morning Nikki,

Further to your request for additional information and updated plans, please see attached.

6. We agree with the amended description and this has been used in the application. We have just updated to 'one raised portacabin' due to the design revision explained in point 5:

- a.
- a. 'Full Planning Permission: Partial change of use of former quarry to private dog walking and exercise area including parking, one raised portacabin, installation of fencing and gate. Borehole exclusion zone.'

Kind regards
