Dear Sir/Madam

Heritage Statement - Your ref: 18/01075/LBC

The proposed works are as follows:

- TV aerial attachment to roof of property
- Wood burning stove and flue lining within inglenook chimney with small cowl on top of chimney

These alterations are not visible from street level or the garden, they can only be seen by someone on the roof so have no impact on the structure or character of the building. They are also fully removable with no effect on the fabric of the building itself.

Yours faithfully,

M. Thorn.
