

Pub & Bar Awnings – wide range of awning and canopy styles with outdoor coverage solutions

Supplying pubs and bars with appropriate awning and canopy solutions is one of our key strengths. Over the last few years, the requirements for a pub has greatly changed. Today, there is a necessity to make the most of any available space, that could be providing year round coverage for a terraced area, garden or pavement.

The Commercial Awning Company have been designing and fitting awnings for many years. Whether you want modern or traditional, we cover it all. For a heritage pub awning solution, we have our Victorian Awning and the Greenwich Awning. If you are looking for something more contemporary, our folding-arm style awning solutions there's our Streamline Folding-Arm or the Robust Folding-Arm. They look stylish and depending on the weather, they can be retracted by remote control, .

We also have a number of terrace and patio awning solutions. Featuring a modular design, like the Markilux Pergola, they can be scaled to cover much larger spaces. Alternatively, you could use our Classic & Robust Parasols, which come in a wide variety of sizes and styles.

Key considerations when choosing Pub & Bar Awnings

The Commercial Awning Company have been supplying awnings to pubs and bars for over 10 years. We have a wealth of experience and practical

Stylish designs: Pub & Bar Awnings offer stylish shading solutions for outdoor spaces, enhancing the ambiance of your establishment.

Customisation options: Choose from a range of patterns and colours to promote your business.

Durable materials: These awnings are built to last, with durable materials and construction ensuring longevity even in harsh weather conditions.

UV protection: They offer protection from harmful UV rays, helping to prevent sunburn and skin damage.

Branding options: Invest in Pub & Bar Awnings to elevate your outdoor space, offering both practical shading solutions and branding opportunities for your business.

Unique pattern printing technology: Our unique pattern printing technology allows for customisable designs, including logos, graphics, or patterns, helping your establishment stand out.

Styling options for your awning – choosing an awning that works for you

Getting the style right for your pub awning is really crucial and there are a lot of decisions to be made. Firstly, what style of awning are you going to choose? Do you want a traditional pub style or something more contemporary. Your next decision is what style options to have, adding a valance and finial provide an elegant finishing touch. Lastly, there is the important question of what colour? We have a huge selection of colours and finishes and can even match metalwork to a RAL number. With the help of the Commercial Awning Design Team, we make the process easier. Based on your ideas, we can create your perfect awning or we can collaborate with your designer to get a fantastic end result.

Retractable awning solutions for beer gardens, pavement areas & outdoor spaces – all year round

In recent years, many pubs and bars have expanded their capacity by converting the garden or terrace area into additional seating. One of the key requirements for this decision is to get use throughout the year. To achieve year round usage, all our solutions include lighting, heaters and retractable awnings options. We are able to cover any size space, large or small with our clever modular systems. In terms of pavement areas, parasols, pergolas and fabric cafe barriers are a popular choice.

Branding options for your awning to make you stand out

Awnings are the prime way of creating attention and showcasing your pub or bar. Branding can be clean and simple or it can be big and bold. Whatever your choice, it needs to communicate with your target customer. We have many options for branding, including a fully patterned awning or perhaps metallic guiding for your logo or ident. The Commercial Awning Design Team can create your awning design and provide you with ideas and
