Dear Alison,

Re: validation of application 26/00676/FP

Thanks for your letter.

I have attached the following here:

1. Completed self build form
2. A copy of the article 13 Notice served on Paul Morris and James Hindes
3. Drawings with scale bar added as requested. Now revision E.
4. Energy and Sustainability statement

I can also confirm that your amended description is acceptable.

Best wishes,
Aidan
