Subject: Invalid Notification for Application No 25/00786/FPH - Amendments

Hi Nikki

Please see the attached documents for the updated drawings which show the changes you requested. The location plan now showing an accurate site boundary as per the land registry, and the existing block plan now attached on drawing No. 25012 - 002. We are happy with the updated description of works to the attached amendment and are happy to proceed.

Regards
Thomas Cox
