NORTH HERTFORDSHIRE DISTRICT COUNCIL

Town and Country Planning Act 1990

DECISION NOTICE

Correspondence Address:

Applicant:

Mr Earl Kennaugh

PARTICULARS OF DEVELOPMENT

Application: 26/00523/FPH

Proposal: Two storey and part first floor front extension, single storey rear extension and installation of front and side canopies. Erection of attached double garage.

Location: Standelfield, Standhill Road, Hitchin, Hertfordshire, SG4 9AE,

PARTICULARS OF DECISION

In pursuance of its powers under the above Act and the associated Orders and Regulations, the Council hereby **REFUSE** the development proposed by you in your application received with sufficient particulars on 6 April 2026.

1. The proposed two-storey and part first floor front extension, single storey rear extension, attached double garage, and front and side canopies, by reason of their scale, massing, design and poor integration with the host dwelling, would result in a visually intrusive and incongruous form of development. The proposal would appear as a series of unsympathetic bolt-on additions, creating a cramped and unbalanced front elevation with poor fenestration proportions that would fail to respect the character, appearance and proportions of the existing dwelling or the

surrounding area. Due to the elevated and publicly visible position of the site, the development would cause harm to the visual amenities of the street scene.

The proposal is therefore contrary to Policies SP9, D1 and D3 of the North Hertfordshire District Council Local Plan 2011-2031 and Section 12 of National Planning Policy Framework, in particular paragraph 135, which together seek to secure high quality design that responds positively to local character and context.

Proactive Statement:

Planning permission has been refused for this proposal for the clear reasons set out in this decision notice. The Council has not acted proactively through positive engagement with the applicant as in the Council's view the proposal is unacceptable in principle and the fundamental objections cannot be overcome through dialogue. Since no solutions can be found the Council has complied with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.

NOTES

- 1 If you are aggrieved by the decision of your local planning authority (LPA) to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must

do so within 12 weeks of the date of this notice.

However, if an enforcement notice has been served for the same or very similar development the time limit is 28 days from the date of the LPA decision or 28 days from the date the enforcement notice was served.

Appeals must be made using a form which you can get from the Planning Inspectorate at Suite C, 4th Floor, Spectrum Building, Bond Street, Bristol, BS1 3LG or online at <https://www.gov.uk/appeal-householder-planning-decision>

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
