Regarding your enquiry about an additional room above your extension:

I note that you are on land with an Article 4 Direction and having reviewed Class A, Part 1 of Schedule 2 of the GPDO, the development you have described is unlikely to fall under permitted development (The Town and Country Planning (General Permitted Development) (England) Order 2015). As such, you are likely to require planning permission. You may apply for a householder application via the planning portal.

With regards to the required documents, please follow the validation checklist (Validation checklist v11.pdf); however, you would be unlikely to require a Design and Access Statement or Statutory Biodiversity Net Gain Metric.
