Dear Mr Bishop,

I wish to register my objection to the above application for the proposed extension to 36 Dacre Crescent.

While I must admit that I am not immediately affected by the above application, if allowed, it may encourage other owners in the locality to make similar applications.

Many older people rely upon the garden to provide exercise and relaxation as well as providing fresh fruit and vegetables. A large extension such as the one proposed at number 36 would shade adjacent gardens and render a large portion useless of these purposes.

The proposed application appears not to have any regard for neighbours and its effect upon their situation.

Yours sincerely,
Jack Edwards
