Dear Sir/Madam,

Re: Enquiry regarding possible FM transmission aerial location at Letchworth Corner Sports Club

I am writing on behalf of Communicorp UK, the FM licence holder for Heart Hertfordshire. We are currently assessing several potential locations in the Hertfordshire area for the siting of a small FM transmission aerial, and Letchworth Corner Sports Club has been identified as one of the technically viable options.

This letter is a follow up to our phone conversation on Wednesday 26th November where we discussed it is our intention to engage with the committee at Letchworth Corner Sports Club around the siting of an FM Radio Transmitter at the site. As advised, discussions in relation to the siting will come from the Tennant to the Spors Club, the process of which has now been started.

I would be very happy to provide further details and answer any questions you may have.

Yours sincerely,

Kevin Tierney
Operations Director – Communicorp UK
