Dear Sir / Madam,

Electronic Communications : Install one DLSAM equipment cabinet (PCP014) and one PCP cabinet (PCP014)
Telecommunications Equipment On Land Outside 2 And 4, Swangleys Lane, Knebworth, Hertfordshire,

I write with reference to the information submitted with your letter dated 02/03/2018 regarding the above.

I can advise you that the Local Planning Authority considers the work would benefit from being permitted development as defined by the Town and Country Planning (General Permitted Development) Order 2015, Schedule 2, Part 16, Class A (a).

I can confirm that there are no conditions the Council would wish to impose under the provisions of Article 5(3) of the Regulations for these works.

Yours faithfully,

Simon Ellis
Development & Conservation Manager
