ARCHAEOLOGICAL IMPLICATIONS

Thank you for consulting us on the above application.

The applicant has re-submitted an archaeological WSI.

We have the following comments, both standard requirements for all WSIs submitted:

- A HER Summary Sheet should be included with the final report
- There should be an undertaking to supply brief archaeological CV.s of the onsite staff for approval by this office prior to fieldwork commencing (8.3)

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Andy Instone
