The application may be of a type of development which is normally determined by me under powers delegated by the Council. However, in certain circumstances individual Councillors may request that a particular application is determined by Committee. That being so, you may wish to contact your local Councillor(s), whose name(s) you will find below, if you intend to make any comments upon the proposal. In the event of the application having to be reported to the Planning Committee there is an opportunity for persons to speak for or against the proposal at the meeting. (For further information please telephone 01462 474206).

I would emphasise, though, that the Councillor(s) will not be in a position to express a view either for or against the proposal until such time as they are in possession of all the relevant information to make a decision; this will be following full consideration of the issues at the Committee meeting. To do otherwise may mean that the Councillor can take no part in the decision-making process. They must decide the matter on planning grounds only and in the interests of the whole community not just the ward.
