Subject: BUS STOP IN LILBURN AVENUE, ROYSTON - PLANNING APPLICATION 18/00359/RM - LAND EAST OF GARDEN WALK AND NORTH OF NEWMARKET ROAD, ROYSTON, HERTFORDSHIRE

Dear Trevor,
I have now managed to identify full details for the Planning Application (Phase 2) on the Meridian Gate development. The application was discussed and agreed with a number of conditions at the Planning Control Committee of North Hertfordshire District Council on 20th September 2018. The bus stop in Lilburn Avenue was on the plans agreed (received by NHDC on 25/05/2018) and included in the background documents. There were no objections from Royston Town Council and the neighbour representations did not include objections to the bus stop in the plans.
I do feel every sympathy for yourself and other residents moving into Lilburn Avenue who were not aware, or made aware, of the proposed bus stop but have now exhausted almost every possibility and checked as many documents as I possibly can. There is at least some comfort in the fact that we have received confirmation that the shelter will not be erected outside your property.
We will await official answers to the questions and a response from the developer.
Kind regards,
Fiona
