Subject: BUS STOP - LILBURN AVENUE

Dear Trevor,
I hope all is well. I have now received another update regarding the proposed bus stop in Lilburn Avenue.
As originally advised, the bus stop was agreed at the time the planning application was considered and permission granted. Following an investigation it has been confirmed that the Kassel Kerbs were in place when the properties were first sold and occupied, which indicated that a bus stop was planned.
Alternative sites have been investigated on the estate, but no suitable alternatives have been found. I appreciate that you do not wish to have the bus stop near your property, but it has been confirmed that a bus shelter will not be erected outside your property. The bus stop will remain in place.
I appreciate that this is not totally the outcome you would like but it is positive news that at least the shelter will not be constructed in the originally agreed position.
Please contact me if you have any further issues.
Kind regards,
Fiona
