Dear Sir/Madam,  
I am today writing a letter of support for my constituent John Gass – Keepers Cottage, 2A Orchard Way, Breachwood Green, SG4 8NT

Reference Planning Inspectorate APP/X1925/Y/25/336931

Mr Gass has for a very long time been trying to get appropriate UPVC windows for his home, right by Luton Airport. They are essential for him and his family to enjoy their home, but currently the noise impact is profound. My office has been supporting Mr Gass' enquiries throughout 2025.

Mr Gass needs Listed Building Consent before he can install these windows.

Please can you review his case at speed, and I would urge a positive result for Mr. Gass.

Thank you.

Yours sincerely,

Alistair Strathern MP
