YOUR COMMENTS ON THE CASE

I object to this blatant attempt to manipulate planning applications. This land owner has applied and re-applied for development of this green belt and had an enforcement order served on him for ignoring appropriate planning permissions to date as well. My children live right beside this proposal with their mother. Vehicular access to this field is already proven to be dangerous on a narrow stretch of Old Hale Way - even when something as simple as cubs is going on. If this land is permitted to be developed it will undoubtedly negatively effect the area. Planning has been refused already - why are we - again having to face this!
