YOUR COMMENTS ON THE CASE

I am objecting to the requesting planning permission. This area is on greenbelt land in between the edge of Hitchin towards Ickleford Village, there is no requirement for parking in this area, it is by the access to a narrow path that is utilised by children going to the schools in the area putting their safety at risk and the infrastructure of the roads does not allow even more traffic travelling along the Road especially with planning permission to build houses at the near by former Bowman's flour mill. This will be an unsightly addition to the current environment and destroy land for the local bees hives in that area. This has been refused twice due to numerous objections with valid reasons, please uphold the objections to putting a carpark on this site that will be used for carboot sales which Hitchin Market already has and increasing traffic on a road that is not suitable and destroying even more green belt land.
