Dear Sir / Madam,

County Consultation : Works to existing school buildings to include replacement and repair of existing slate pitched roof coverings; replacement of and introduction of insulation to existing mineral felt flat roof coverings and rooflights; replacement and introduction of insulation to existing mineral felt shallow pitched roof covering; infilling two high level windows and replacement of two high level windows.

NORTH HERTS COUNCIL : CONSULTEE ONLY

Weston Primary School, Maiden Street, Weston, Hitchin, Hertfordshire, SG4 7AG

Thank you for your consultation on the above named application. I can confirm that I have viewed the details of the application on your website. I note that the DAS acknowledges that the school is within the Conservation Area and neighbours listed buildings, and that the prominent slate roof of the frontage building is to be repaired with slates to match. On this basis, I raise no objection to this application.

Yours faithfully

Shaun Greaves
Development and Conservation Manager
