Dear Henry

Re: Details reserved by Condition 14 (Archaeological WSI) of planning permission reference 24/01371/FP granted on 18.02.2025. | Tussocks The Causeway Therfield Royston Hertfordshire SG8 9PP

ARCHAEOLOGICAL IMPLICATIONS

Thank you for consulting us on the above application.

The applicant has submitted a report on an archaeological trial trench evaluation. In this instance the document is satisfactory. Although several pieces of medieval pottery were found in a pit and a ditch and some post-medieval pottery in other features, no other significant heritage assets were revealed, and in this instance we do not recommend any further archaeological work is required.

We can now therefore recommend that Condition 14 can be fully discharged.

I hope that you will be able to accommodate the above recommendations.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Andy Instone
