Dear Mr Greaves

Thank you for your letter of 29 April re the conversion of agricultural buildings into 5 residential dwellings.

Porters End lane is long and narrow with hedges, banks and ditches. One section of the lane floods - the year for ~~two~~ months. The lane would find it a problem with another 10 or more cars and there are increasing numbers of delivery vans and

There are very few passing
areas.

I appreciate more housing
is needed but water supply
here comes across fields
by gravity.

I recommend a visit
to see the area for yourself.

Yours Sincerely
