Town and Country Planning Act 1990

DECISION NOTICE

Correspondence Address:

Applicant:

Mr Alex Cherry

PARTICULARS OF DEVELOPMENT

Application: 25/02755/FP

Proposal: Change of use of two barns from agricultural to B8 Storage.

Location: Wellbury Farm, Clothall Road, Clothall, Baldock, Hertfordshire, SG7 6RD

Refused Plan Nos: 2025/01 2025/02 2025/03 2025/04

PARTICULARS OF DECISION

In pursuance of its powers under the above Act and the associated Orders and Regulations, the Council hereby **REFUSE** the development proposed by you in your application received with sufficient particulars on 10 November 2025.

1. The application site is within an area designated in the North Hertfordshire Local Plan as Green Belt, within which there is a presumption against inappropriate development, unless very special circumstances can be demonstrated. In the view of the Local Planning Authority, the development does not comply with the exemption criteria set out under paragraphs 154 and 155 of the NPPF. Furthermore, the development would result in, together with any additional access development to overcome highways objections, a materially greater impact on openness and would conflict with one of the five purposes of the Green Belt. As such, in the opinion of the Local Planning Authority, the harm to the Green Belt by reason of inappropriateness, as well as to openness and the purposes of the

Green Belt, is not clearly outweighed by other material considerations and as a result, very special circumstances have not been demonstrated. As such, the development does not accord with the provisions of Policy SP5 of the North Hertfordshire Local Plan 2011 - 2031 or with the provisions of Section 13 of the NPPF

2. The development, by reason of the general intensification and industrial use of the site together with any heavy goods vehicular movement, parking, engineering work to existing trackway to overcome highways refusal, and general paraphernalia, results in an adverse visual impact and consequent harmful effect on the character and appearance of the area. The use is therefore contrary to the provisions of Policies SP9, D1 and NE2 of the North Herts Local Plan 2011 - 2031 and Section 12 and 13 of the National Planning Policy Framework.
3. Under article 22 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 Hertfordshire County Council as Highway Authority recommends that permission be refused for the following reason: There is currently insufficient information provided within this application for the Highway Authority to make an informed recommendation. In the absence of the required details, the Highway Authority must recommend refusal due to concerns regarding potential implications for highway safety and convenience.

Proactive Statement:

1. Planning permission has been refused for this proposal for the clear reasons set out in this decision notice. The Council has not acted proactively through positive engagement with the applicant as in the Council's view the proposal is unacceptable in principle and the fundamental objections cannot be overcome through dialogue. Since no solutions can be found the Council has complied with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.

NOTES

- 1 If you are aggrieved by the decision of your local planning authority (LPA) to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

However, if an enforcement notice has been served for the same or very similar development the time limit is 28 days from the date of the LPA decision or 28 days from the date the enforcement notice was served.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision>

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
