2.0 **Site History**

2.1 85/00454/1 - Conversion of rear garage into utility room and toilet. - Granted

3.0 **Representations**

3.1 **Neighbour Representations** – None received.

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 No. 17 comprises a two-storey dwelling to the west of Stotfold Road, Hitchin.

4.2 **Proposal**

4.2.1 First floor side extension and single storey rear extension.

4.3 **Key Issues**

4.3.1 Principle: Within settlement boundary, modest alteration to an existing dwelling. Complies with Policy SP2 of the Local Plan

4.3.2 Design: The proposed built form and materials would be similar to the existing, minimal to no impact upon the character and appearance of the dwelling as seen from the street scene. Complies generally with Policy D1 of the Local Plan.

4.3.3 Impact on the street scene: The works are to the rear of the dwelling and would therefore be obscured from view from the public realm. Some views would be gained from neighbouring gardens, though I consider that this would be modest. It is therefore considered that there would be no impact to street scene or conservation area.

4.3.4 Impact on neighbours: None. Would not project significantly beyond the existing rear elevation of the host dwelling and the neighbouring dwellings. Therefore, impacts to light and dominance would not be unacceptable. Outlook would be similar to existing, and therefore privacy concerns are not considered to arise. Complies with Policy D3 of the Local Plan.

4.3.5 Parking: No alteration to existing driveway and no loss of parking on-site. Complies with T2 of the Local Plan.

4.3.6 BNG: Exempt from BNG requirements.

4.3.7 Climate change: Due to the small scale of the proposals and the sustainable location there would be minimal impact on local climate change.

4.4 **Conclusion**

4.4.1 Acceptable in planning terms.

4.5 **Alternative Options**

4.5.1 None applicable

5.0 **Recommendation**

5.1 That planning permission be **GRANTED** subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

3. The extension(s) hereby permitted shall be built in external materials to match the existing dwellinghouse unless otherwise agreed in writing by the LPA.

Reason: To protect the visual amenities of the locality and to comply with Policies D1 and D2 of the North Hertfordshire Local Plan 2011 to 2031.

Proactive Statement:

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
