18 Horn Hill Whitwell SG4 8AS

TL 1821 St Pauls Walden Horn Hill West Side Whitwell

No. 18 (Well House)

GV2

It is understood that this property is the Whitwell Conservation Area.

2 staff houses for No. 16 – now one house circa 1815 red brick with pyramidal slate roof and plastered eaves soffit. A square two storey, two windows wide block with shared large rectangular central chimney stack and reserved-chamfered corners all around the house. Side entrance on north in use with wood porch. On south converted to window. Symmetrical east front has plat band and flat red rubbered arches. Sash windows with 8 eight panes (renewed) and original canted iron decorative railings to first floor windows
