Part 4: Associated Works

Access Equipment

To Supply Suitable Access Equipment to Meet Health & Safety Requirements

PW3A | Scaffolding - To be confirmed post survey | £ 1,898.40

Cost £1,898.40 Exc VAT

Terms and Conditions of Agreement Contract

Windows, Doors and Glazing Terms of Service

1.0 Access Equipment

- 1.1 Where access equipment is required the homeowner accepts that this may be erected prior to works commencing and dismantled after completion of works.
To comply with Health & Safety Legislation Evander may need to erect scaffolding to provide safe access to openings above ground floor level.
- 1.2 This scaffolding may need to be anchored to your building to provide safe to comply with safety requirements. All anchor points will be capped off after scaffolding is removed with either plastic caps/ silicone or plain mortar patch only.

2.0 Waste Removal

- 2.1 All waste will be removed and disposed. Any existing frames & glass can be kept by the homeowner on request.

3.0 Making Good

- 3.1 Evander will make good around window and door apertures externally and internally, up to but not inclusive of decorating stage.
- 3.2 Making good is limited to 500mm around the window aperture only.
- 3.3 No liability for matching other areas of finishing or decoration can be made.

4.0 Specialist Finishing

- 4.1 Whilst every effort is given to match existing render, plaster and stone finishes it is not always possible to match accurately. Where it is not possible to match the special finish, a smooth sand and cement finish will be deemed acceptable.

5.0 Structural Works

- 5.1 Where we are required under FENSA regulations and Building Control to install a lintel, all brickwork and pointing will be colour matched as accurately as possible. Where it is not possible to match the colour accurately, a standard mortar will be applied.
- 5.2 The homeowner accepts the making good standard as set in item 3.1 of this document.

6.0 Cables & Services

- 6.1 Evander will accept no responsibility for the cost for repair, replacement, removal and installation of cables & Services. This shall be covered by the homeowner entirely at their cost.
- 6.2 All cables should be removed by the homeowner prior to installation. Evander will not accept any liability for cables & services and their associated costs whatsoever.
- 6.3 Cables & Services includes, but is not limited to: Telephone, CCTV, Door Bell, Satellite/Cable TV, Communication, Electrical, Alarm Cables and Contacts, Plumbing and Heating supplies.

7.0 Designs options and choices

- 7.1 Once designs and options have been agreed and signed for any requested changes or alterations requested by homeowner will be chargeable to the home owner.
- 7.2 Sizes of frames are taken by our surveyor, any change to the opening size made by homeowner after survey may result in new frames being incorrect, in these cases the cost to correct this will be the homeowners responsibility.

8.0 Prepared Openings

- 8.1 Where an opening is incomplete or under construction at time of survey you will be asked to sign a "prepared opening" form which will outline the agreed sizes the new opening will be constructed too. We will manufacture to suit these sizes. Any change to agreed sizes post survey which result in our frames being incorrect may result in additional cost which will be the homeowners responsibility.

9.0 Access to install

- 9.1 The homeowner is responsible for clearing space internally & externally to allow safe access to install the new products, this includes but is not limited too: -removal & refitting of curtains, nets, blinds, shutters, removal of furniture, cutting back shrubs & bushes.
- 9.2 Where the homeowner is unable to provide clear access to complete the installation the clearing of required items may be undertaken by Evander at a cost to the homeowner.

Please note: By accepting this quotation, you are agreeing to enter into a works contract ("Works Contract") solely with Evander Glazing & Locks Ltd for the provision of the proposed works set out in this quotation ("Proposed Works"). Evander will be responsible to you for the provision of the Proposed Works, subject to any terms agreed between you and Evander. London Luton Airport Operations Limited (LLA) will not be a party to the Works Contract or be responsible for the provision of the Proposed Works to you (except that LLA will pay to Evander a contribution towards the Proposed Works, in accordance with terms of its funding offer to you).
