Telephone conversation to discuss

Date (must be pre-application submission)

13/10/2025

Conversation with Mark Simmonds at North Herts District Council Planning office. He is aware of the need to work quickly with the works to the chimney, so has discussed the matter with his colleagues and although they still feel the work requires a separate LBC application. They have said that they would not object to the chimney being taken down and rebuilt as required. The proposal is to take down to roof height or below and rebuild using the same bricks as far as possible and any damaged bricks to be replaced in reclaimed to match, laying in lime mortar.

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
