Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The construction of an outbuilding over the existing outdoor swimming pool. No new access is required.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The land is an existing residential curtilage which has benefitted from an outdoor swimming pool for over 10 years. The Applicant now wishes to make that pool indoor by constructing a single-storey outbuilding over the existing pool.

Whilst it is considered that such an outbuilding for an existing incidental use clearly qualifies under Householder Permitted Development Rights, a Certificate of Lawful Development is sought to confirm that position.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Whilst a proportionate-sized outbuilding for a swimming pool would qualify as Permitted Development, an aerial photograph from August 2013 (copyright Google Earth) has been provided to demonstrate that the outdoor swimming pool has existed as an incidental use for over 10 years.

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Whilst the outbuilding qualifies under Householder Permitted Development Rights, an LDC should be Granted to confirm that position.

A previous application was Refused solely because part of the Pool Room was proposed to be within 2 metres of the boundary and, so, exceeded the height limits. The current proposal will ensure the Pool Room is not within 2 metres of the boundary and, so, the LCD can be granted.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
☐ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No

Interest in the Land

Please state the applicant's interest in the land

☒ Owner

☐ Lessee

☐ Occupier

☐ Other
