## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The application is to make alterations to an existing residential dwelling by way of placement of solar panels on the rear south-westerly facing roof of the house. All ancillary equipment will be housed in the existing detached garage.  
The house is in a conservation area but is of modern construction (circa 1994) and outside the section 4 restrictions, therefore these alterations are deemed to be permitted development.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Extracts from the solar company quotation are attached to detail placement of the panels.

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

### Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent  
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The works proposed are to place 10 solar panels on the rear south-westerly facing roof of the house plus connections to battery and inverter that will be housed in the existing detached garage.

The proposed works are ordinarily deemed permitted development.

This dwelling is located in a conservation area but does not have section 4 restrictions. The works undertaken will not change the streetscape of The Avenue and are therefore considered to be lawful development.

## Site Visit

- ☒ Yes  
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- (a) a member of staff**  
**(b) an elected member**  
**(c) related to a member of staff**  
**(d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☒ No

## Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
