Hi Andy,

Good to chat to you just now.

As discussed, if you could send me via e-mail details of the crossover – condition 7. Please note that the condition wording is below and I would need details to show this:

The development hereby permitted shall not be brought into use until the vehicle cross over has been reconstructed to align with the proposed parking bays as identified on drawing number 19146-002 revision B and the footway and verge including any part of the adjacent disused vehicle cross over has been reinstated to footway specification to the current specification of Hertfordshire County Council and to the Local Planning Authority's satisfaction Reason: To ensure construction of a satisfactory access and in the interests of highway safety, traffic movement and amenity in accordance with Policy 5 of Hertfordshire's Local Transport Plan.

Kind regards,
