☒ Yes

☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Garage extension to the left hand side to increase the width to fit a car. This is within the land ownership area and between the existing house and garage so no adjoining properties will see or be affected by this. The existing garage is 2700mm wide at the rear, the extension will add a further 3m, but be built in a diagonal to the front so at the front it is as existing width. The roof will be flat roof, tied into the existing pitched roof.

☐ Yes

☒ No

Has the proposal been started?
