Notes

This drawing to be read in conjunction with all other relevant information whether produced by David French Partnership LLP or others.

The builder is to compare all related information in advancent of construction and report any inconsistencies to David French Partnership LLP. This is particularly important in relation to setting out.

Unless noted otherwise, dimensions are approximate for design purposes – All materials, including steel beams, MUST be site measured.

IF IN DOUBT ASK.

Work should not start until Building Regulations approval has been given. If works starts before approval, then David French Partnership LLP accept no responsibility for any changes that Building Control may require. This risk remains with the Client and/or the builder.
