Please state the condition number(s) to which this application relates

Condition number(s)

Condition 5: No development shall commence until a Car Parking and servicing Management Plan relating to measures to manage the car parking shall be submitted to and approved in writing by the local planning authority, in consultation with the Highway Authority. It shall include (but not limited to) the following:

- o Car Parking Management: Outline measures to ensure efficient use of the parking spaces, including monitoring and enforcement strategies.
- o Refuse Collection: Detail the procedures for refuse collection (including swept path track drawings), ensuring it does not interfere with vehicle movement or cause congestion.
- o Congestion/Overspill Prevention: Propose strategies to prevent congestion and parking overspill onto the public highway, such as designated loading/unloading zones and clear signage.

The Car Parking Management Plan shall be fully implemented before the development is brought into use agreed by the Local Planning Authority and thereafter retained for this purpose.

Condition 6: Before the commencement of development, unless otherwise agreed in writing by the Local Planning Authority, details of the car parking layout in accordance with local and national guidance, such as the Manual for Streets (MfS) shall be submitted to and approved in writing by the Local Planning Authority. Prior to the first occupation/use of the development hereby permitted the car parking layout shall be installed in accordance with the approved detailed plans and thereafter retained and maintained at all times at the position shown.

Condition 9: (A) No demolition/development shall take place/commence until an Archaeological Written Scheme of Investigation has been submitted to and approved by the local planning authority in writing. The scheme shall include an assessment of archaeological significance and research questions; and:

1. The programme and methodology of site investigation and recording;
2. The programme for post investigation assessment;
3. Provision to be made for analysis of the site investigation and recording;
4. Provision to be made for publication and dissemination of the analysis and records of the site investigation;
5. Provision to be made for archive deposition of the analysis and records of the site investigation;
6. Nomination of a competent person or persons/organisation to undertake the works set out within the Archaeological Written Scheme of Investigation.

condition 10: The demolition/development shall take place/commence in accordance with the programme of archaeological works set out in the Written Scheme of Investigation approved under condition (A)
