Dear Alex,

Re: Details reserved by Condition 7 (Archaeological WSI) of planning permission reference 25/01196/FP granted on 22.01.2026. | Starwood House Avenue One Letchworth Garden City Hertfordshire SG6 2HB

ARCHAEOLOGICAL IMPLICATIONS

Thank you for consulting us on the above application.

The applicant has submitted an archaeological WSI.

We have the following comments.

- we require brief archaeological c.v.s of the **onsite staff** to be submitted for approval, although this may be done after the WSI has been approved provided there is a statement confirming fieldwork will not commence until they have been agreed by this office
- there should be confirmation that the local museum has agreed to receive any archives

Therefore, **we do not yet recommend that condition 7 is fully or partially discharged** nor that any onsite archaeological works or development commence.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Andy Instone
